

Amount Per Serving (cont.)
Pomegranate extract (40% ellagic acid)20 mg.

Adaptogens

Schizandra berry extract, 2% schizandrin150 mg.
Eutherococcus sentibosus root extract, 0.6% eleutherosides80 mg.
Suma (Pteris paniculata), root ext. (2.5% beta-ecdysterone)60 mg.

Immune Support

Astragalus membranaceus extract, 70% polysaccharides50 mg.
Larch arabinogalactan (ImmunEnhancer™ AG)30 mg.
Beta 1,3-β-glucans (yeast)30 mg.

Sea Vegetable Complex (providing iodine + trace minerals)

Rockweed (certified organic)380 mg.
Nova Scotia Dulse (certified organic)180 mg.
Bladderwrack (wild harvested)180 mg.

Probiotic Blend

Twelve (12) Dairy-free Probiotic Cultures (25 billion total at date of manufacture)

Lactobacillus rhamnosus HA-1112.5 billion
Lactobacillus rhamnosus B, HA-1142.5 billion
Lactobacillus acidophilus HA-1222.5 billion
Bifidobacterium bifidum HA-1321.25 billion
Bifidobacterium breve HA-1282.5 billion
Bifidobacterium longum HA-1352.5 billion
Lactobacillus helveticus HA-1280.5 billion
Lactobacillus paracasei HA-1082.5 billion
Lactobacillus plantarum HA-1182.5 billion
Lactococcus lactis HA-1362.5 billion
Streptococcus thermophilus HA-1100.75 billion
Propionibacterium shermanii HA-1822.5 billion

Enzyme Complex

Protease 4 S, (Aspergillus oryzae)110 HUT
Protease 6 O, (Aspergillus oryzae)110 HUT
Lipase (Aspergillus niger)150 FCCLU
Amylase (Aspergillus oryzae)6 DU
Invertase (Saccharomyces cerevisiae)1 SU
Cellulase (Trichoderma longibrachiatum)7 CU

Skeletal Support

Vitamin D3 (in organic alfalfa base)1,000 i.u.
Phyto-Boron (patented, from calcium fructo borate)3 mg.

Fortifying Phyto-Minerals

Phyto-Chromium (from Indian mustard, hydroponically grown)80 mg
Phyto-Selenium (from Indian mustard, hydroponically grown)50 mg

Tonics

Ginger root powder (certified organic)20 mg.
Cayenne pepper powder (Capsicum fr.) (certified organic)2 mg.

Palatability Factor

Mango powder, freeze-dried100 mg.

Version 9.0

GREEN VIBRANCE™

- **The Greatest Food on Earth™**
- **Nutritional Powerhouse**
- **Supports Digestion & Immunity**
- **Supports Strong Bones**
- **Helps Circulation**
- **Fights Stress**
- **Builds Energy & Endurance**
- **Best Tasting Green Superfood**
- **It has led the way since 1992.**
- **The others are still following.**
- **It's profound.**
- **It's the greening of America.**

Our vitality is the sum total of the health of each cell of the body. In order to achieve optimal health, the immune system must be **strong** and a robust **gastro-intestinal tract must draw** in a complete selection of **healthful nutrients**. Those nutrients must in turn be **delivered to all the cells** of the body, even those at the very edge of your fingers and toes.

Green Vibrance is a concentrated superfood with a purpose: To make you healthier and stronger. Green Vibrance feeds each cell what it needs to run at peak efficiency, and then helps each nutrient get where it needs to go.

- Green Vibrance:
- Supports a healthy digestive tract, thereby improving nutrient absorption
 - Delivers a host of trace nutrients that may be absent or deficient in modern diets
 - Improves circulation in order to deliver those nutrients to every cell of the body
 - Supports a vigorous and efficient immune system to ward off disease*

Nutrient Density

Green Vibrance uses specially selected certified organic, wild harvested and wild crafted concentrated foods to support and improve these basic four bodily functions essential to life. Five organic cereal grass juices alone deliver virtually all known nutrients and several "growth factors" that cause the young to grow larger and stronger and tissues to repair and replenish more quickly. Alfalfa sprouts, broccoli sprouts, Spirulina, Chlorella, Hydrolyzed alfalfa bran, parsley and a host of vegetables enrich nutrient density and diversity of Green Vibrance.™

The Probiotics

Our industry-leading 25 billion probiotics per serving at date of manufacture improves digestion, the one system that must function well if health is to be maintained or restored. Probiotics in Green Vibrance break down proteins for easy assimilation, help transport minerals across the intestinal mucosa and synthesize several B-vitamins. They simultaneously create an **unfriendly** (acidic) environment for pathogenic bacteria and yeast, reducing disease risk. Probiotics are supported by both fructo-oligosaccharides and Fiber-Aid™ arabinogalactans. Each of these prebiotics reduces the number of pathogenic bacteria while boosting the colonies of beneficial probiotics.*

Supporting Cast

Chlorophyll from the green foods supports intestinal health. Soluble fibers help remove heavy metals. Lecithin helps maintain the structure of every cell membrane, provides neurotransmitters, and, along with policosanol, supports healthy cholesterol levels and nerve function. Our patented Phytoboron plus 1,000 I.U. vitamin D3 per serving supports bone and joint health, and helps normalize primary hormonal levels in men and women.*

Antioxidants resist age related cell damage.* Each serving of Green Vibrance delivers a powerful 140 mg. of herbal antioxidants in addition to the beta-carotene, vitamin C, vitamin E and other antioxidants naturally present in other ingredients. Ginkgo biloba, grape seed, pomegranate and Silymarin (milk thistle) extracts also support peripheral circulation*.

To support immune function, Green Vibrance combines Beta-glucans, ImmunEnhancer™, arabinogalactans and astragalus extract with a healthy digestive tract and well-fed cells supported by an army of antioxidants.*

The Benefits

The Green Vibrance formula was designed and balanced to help establish good health. Its many ingredients were chosen carefully to:

- Deliver more complete nutrition; a host of trace nutrients
- Support digestion and gastrointestinal function
- Support circulation
- Support skeletal health
- Support clearance of waste products of metabolism; detoxification
- Support neurological health
- Support cardiovascular function and health
- Support endurance
- Support blood sugar control
- Strengthen immunity
- Resist age-related oxidative damage to cells
- And some consumers swear they look younger.

Who Can Use Green Vibrance?

In a word: EVERYONE!

- The ill
- Women
- Athletes
- Men
- Children
- Seniors

Green Vibrance is available in:

- 15 day supply, 171 gm./6.1 oz. powder
- 30 day supply, 345 gm./12.17 oz. powder
- 60 day "Family Size" 699 gm./24.34 oz. powder
- Single Serving Packets (powder), 15 packets per box
- Vegetable Capsules, 240 vegitrips
- Green Vibrance Original Meal Bar

Green Vibrance

A true, undiluted food source of vitamins, minerals, polyphenols, co-nutrients and much, much more.

Directions

As a food, **once each day** - or more often if you would like - mix one rounded tablespoon scoop (enclosed) of Green Vibrance into 4 to 8 ounces of your favorite juice, rice beverage, or water. Stir briskly or shake briefly in a closed container until mixed. Drink, enjoy and prosper!

Breakfast - or anytime - is great for Green Vibrance.

Proper Care

Green Vibrance contains more friendly probiotics than any other superfood. Store Green Vibrance in your freezer (best) or refrigerator (good), after opening. Each 17.5 grams in powder, packet or capsules, delivers 84 fine certified organic and concentrated foods and extracts. Each was selected and its potency coordinated with others to support Nutrition, Digestion, Circulation, immunity, Detoxification, Neurological Health and Cardiovascular Health.*

Amount Per Serving

Nutrient Dense, Healing and Support Foods

Spirulina (certified organic).....	1,500 mg.
Alfalfa grass juice powder (certified organic).....	570 mg.
Barley grass juice powder (certified organic).....	570 mg.
Oat grass juice powder (certified organic).....	570 mg.
Wheat grass juice powder (certified organic).....	570 mg.
Hydrilla verticillata (wild crafted).....	500 mg.
Alfalfa sprout powder (certified organic).....	440 mg.
Karwins Grass juice powder (certified organic).....	400 mg.
Chlorella, pharmaceutical grade, soft cell.....	300 mg.
Parley, freeze dried (certified organic).....	250 mg.
Zucchini powder, freeze dried.....	250 mg.
Beet juice powder (certified organic).....	250 mg.
Carrot root powder (certified organic).....	150 mg.
Green bean powder, freeze dried.....	120 mg.
Broccoli sprout powder (certified organic).....	100 mg.
Spinach, freeze dried (certified organic).....	100 mg.

Cell Membrane & Nerve Support

Soy lecithin powder (non-GMO) 98% oil-free.....	750 mg.
Vitamin E (water dispersible alpha-tocopheryl succinate).....	100 I.U.
Policosanol (60% Octacosanol) from rice bran wax.....	5 mg.

High Fiber Foods & Prebiotics

Fructo-oligosaccharides.....	600 mg.
Larch arabinogalactan (Fiber Aid™ AG).....	600 mg.
Stabilized Brown rice Bran.....	500 mg.
Whole Apple powder (certified organic).....	250 mg.
Milled Flaxseed concentrate (certified organic; de-oiled, non-GMO).....	200 mg.

Antioxidants and Circulatory Support

Acerola berry juice powder, 25% natural vitamin C (certified organic).....	200 mg.
Silymarin milk thistle extract, 80% silybin (Siliburn marianum).....	60 mg.
Ginkgo biloba extract, (24% g-nkgofloringyloides/6% terpeno lactones).....	20 mg.
Green tea standardized extract, (85% polyphenols, 80% catechins, 45% EGCG).....	20 mg.
Grape seed standardized ext. (95% polyphenols, 90% procyanthocyanidins).....	20 mg.
